

# 2024 NYS Funders Conference

October 16-17, 2024 | Buffalo, NY

Dear Colleague,

A hallmark of NY Funders Alliance is the presentation of high-quality programming, connection opportunities, and networking forums for grantmakers who work and fund in New York State. Our signature events are the only opportunity of their kind for funders to convene with colleagues, network to form partnerships, and expand their understanding of critical issues impacting the sector. In the last several years we have welcomed hundreds of New York grantmakers for successful conferences in Rochester, Albany, and Syracuse.

**We are thrilled to announce the 2024 NYS Funders Conference  
will be held in Buffalo, New York  
October 16 - 17, 2024**

The conference will include plenary presentations, breakout sessions, and dynamic engagement opportunities featuring national and regional thought-leaders exploring best practices in philanthropy, trends in the sector, and critical issues facing communities across our state. Attendees will represent all levels of staff and trustees from private foundations, family foundations, community foundations, corporate giving programs, and other philanthropic organizations working to address a range of issue areas.

**The speakers, sessions, and special touches throughout the conference  
would not be possible without the generous partnership of our  
valued sponsors and exhibitors.**
